Voting boxes will be located by samples of each dessert and each ticket equals one vote. All proceeds will help purchase products from disadvantaged artisans to be sold in World Fare.

- A panel of judges will be on hand before the event to determine prizes in the categories of Best Presentation and Most Original, with each winner receiving a \$10 gift certificate to World Fare. At the end of the event, overall prizes determined by ticket voting will be announced in the category of Just Desserts. First, second and third place prizes will be given with \$50, \$25, and \$10 gift certificates to World Fare respectively.
